

# D<sup>2</sup>EPC WORKSHOP

Building performance assessment  
towards Next-generation EPCs

## Dear reader,

D^2EPC workshop “Building performance assessment towards Next generation EPCs” will take place on the 8<sup>th</sup> of June, online, from 10:00 to 14:15.

We will have the opportunity to listen to interesting presentations and discuss the necessity of enriching the Energy Performance Certificates with additional indicators, characterizing the actual energy, smartness and sustainability performance of buildings.

The program will be divided into 4 sessions:

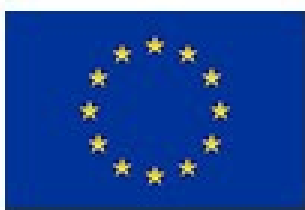

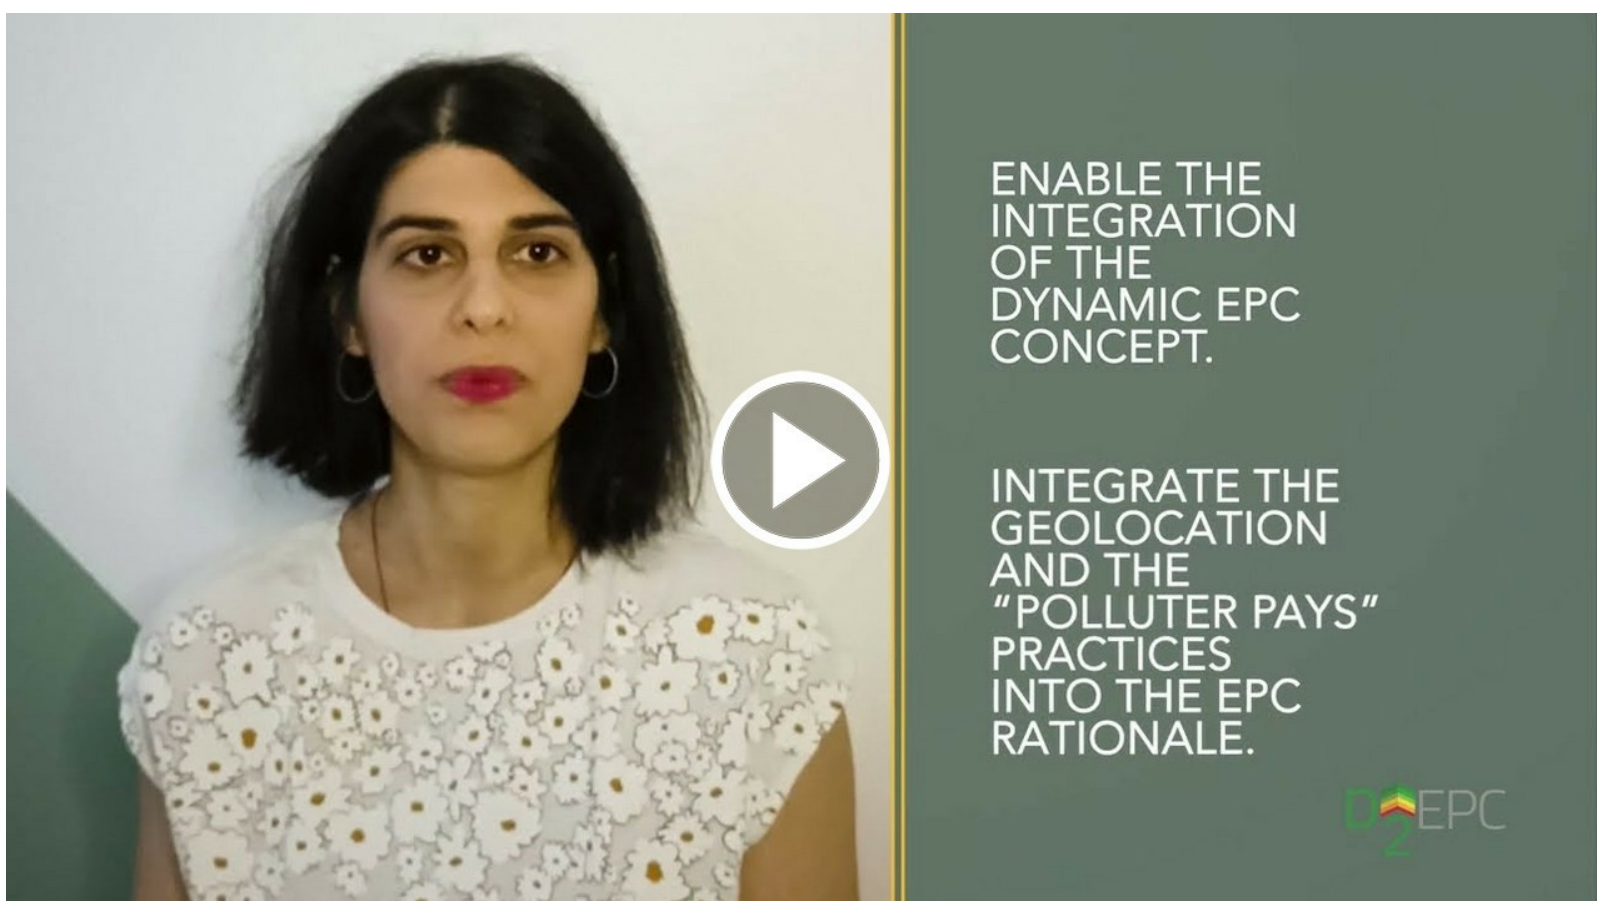

- Session 1: Smart buildings and energy efficiency.
- Session 2: Integrating human comfort into energy certification.
- Session 3: Advancements in buildings sustainability assessment.
- Session 4: Monetizing buildings' energy performance, the use of life cycle costing indicators.

You can download the full agenda [here](#).
